PARISH MATTERS

- Give thanks for those who offer help and support in so many areas of our church life often unseen but not unnoticed.
- Pray for our clergy that they would know the anointing of the Holy Spirit as they prepare for Sunday services.
- Remember to pray for those within our Parishes who are ill, anxious or lonely and help us to look for ways in which we can support one another.

LOCAL COMMUNITY

- Exam season is upon us again, pray for all young people who will be sitting exams over the next couple of months. Pray for those who will be anxious and stressed that they will know peace.
- This is a moment of intense change and challenge in Northern Ireland, but we love this place and its people and we long to see it flourish. Pray for our newly elected MLA's and for ongoing negotiations so that we have a government in place who will work for the better good of this Province.
- The NW200 takes place from 12th – 14th May. Pray safety for those taking part and for the ministry of the Chaplains during the week.

OUR WORLD

- Christian Aid seek to help families fighting poverty across the world. Pray for a good response during Christian Aid week – 15th – 21st May.
- We continue to pray for the people of Ukraine that as the war continues so will endeavours to find a peaceful solution.
